

YOUR MONTHLY PET CHECK

A simple monthly checklist to help you keep your pet clean, comfortable, and protected.

■	Check coat for fleas
■	Check ears and neck
■	Check between toes
■	Check around the tail
■	Wash bedding
■	Vacuum favorite areas
■	Keep parasite prevention up to date
■	Check your pet after outdoor walks

Tip: Regular checks can help you notice fleas, ticks, or skin changes early. If you find a tick or notice unusual symptoms, contact your veterinarian for advice.
